

ELKO CANCER NETWORK

Let's support each other

The Elko Cancer Network is a community non-profit organization that seeks to improve the health and well being of Elko County residents through community resources and monetary donations.

We connect cancer patients & survivors with volunteers and/or providers that can offer support and needed services during and after cancer treatments.

Sponsors & Volunteers Needed!

- Financial donations from companies
- Transportation for patients to/from treatments
- Knitted caps – we gladly take donations of new, soft knitted or crocheted caps
- Office support (event and fundraising coordination, etc.)
- Professional services needed: Hairdressing, wig fitting
- and more!
